

# The Green Blue

Helping you protect our coasts and waterways

UK waters offer stunningly beautiful scenery, some of the best boating in the world and a wealth of marine wildlife.

Follow these top tips from The Green Blue to help safeguard these beautiful waters and habitats for future generations.

- Never allow rubbish to go overboard
- Don't let oil and fuel spill into the water
- Use onshore toilets where possible
- Navigate carefully when you see marine wildlife and keep wash to a minimum
- Choose your anchoring site carefully
- Use low phosphate, environmentally friendly cleaning products
- Recycle as much as possible
- Safely dispose of waste from maintenance e.g. antifoul
