

Arriving in the UK as a Visitor

If the Yacht Haven is your first port when arriving in the UK, you must follow these new procedures to seek permission to enter prior to disembarking.

You must call the Border Force South/West Wales on +44 (0)300 1064 188 before you disembark the vessel.

You do not need to call if you have existing permission to enter or remain, or have a right of entry to the UK.

An EU/EEA traveller will need to provide Border Force with your name, date of birth, nationality and document number, as a minimum.

You must have received notification of your permission to enter the UK prior to disembarking your vessel, this may be granted remotely (without physically seeing a Border Force Officer).

Failure to obtain permission to enter the UK may result in you entering the UK illegally and subject to enforcement action.

However, you must call the HMRC National Yachtline to make an arrival report for customs purposes +44 (0)300 123 2012.
