

## **Octopus Electric Car Scheme**

### **What is the Electric Dreams Car Scheme?**

Similar to the Cycle to Work Scheme, you have the option to purchase a new car from [Octopus](#) through salary sacrifice, paying for it out of your gross salary before tax and national insurance, with no up-front costs and a simple monthly fee that includes all of the below!

### **What is included in it?**

The monthly payment includes:

- Your electric car; including free home charger if you have off-street parking, and if you don't they will give you 5,000 miles of free public charging credit from the Electric Juice Network.
- Breakdown cover and roadside assistance
- Servicing, MOT, repairs, tyres (subject to Fair Wear and Tear guidelines)
- Insurance (including additional drivers)
- Accident management
- Road tax
- New EV starter pack and expert advice
- Leaver protection for certain unforeseen circumstances
- An end of contract damage waiver

### **How can I get a quote online once the scheme is live?**

Simply click this [link](#), and click "Let's go" to get started:

- Input your email address and click "Sign in with email"
- Now check your inbox for email entitled "Sign into your workplace salary sacrifice scheme"
- That email will have a 6-digit verification code
- Input that code from your inbox into the portal
- Input your invite code\* and phone number, or;
- Click the link "Can't find your invite code?" if you're stuck

### **I'm struggling to access the online quoting portal?**

If your code isn't working, then please read the below tips & tricks:

- The codes are one time use only; if users try to use the codes again they will not work
- Codes will work for 30 minutes, then expire
- Once logged in though, you should stay logged in on that browser for 1 week i.e. you won't need another code in that time
- If you're following all the above steps and getting an expiry error then this might have to do with your work network. Please try the above steps on a device that isn't linked, in anyway, to your work network (including a different email address).
