On the western edge of the Solent, Lymington is perfectly based for all types of boating. Take a RIB to Yarmouth and arrive within 20 minutes or cruise to France – the choice is yours!

For day sailing and anchorages, choose a quiet natural harbour such as Newtown Creek or head for the hustle and bustle of Southampton. Beyond the Solent, to the West, there's the natural harbour at Poole, Studland Bay and Sandbanks within easy reach, and Portsmouth to the East – one of the most historical harbours in the UK.

So many places to explore, and all within a day or two's sail.

These are some of our favourite places to visit – just a stone's throw away.

The Hut at Colwell Bay, IoW – 4.5 nm

A great beach restaurant and stunning sunsets, anchor up and they will give you a lift ashore.

Alum Bay, IoW – 6.5 nm

This gorgeous anchorage overlooks The Needles, and it's a fantastic spot for swimming.

Yarmouth, IoW – 3 nm

A friendly harbour with plenty to do including beautiful walks and superb restaurants.

Newtown Creek, IoW – 5 nm

A stunning anchorage in a nature reserve. Take a picnic and tender ashore to enjoy the beach.

Cowes, IoW – 9.5 nm

An iconic yachting destination with lots to see and do. If you have time, pop to The Folly Inn about 2 miles further up the River Medina.

Hurst Castle – 3.5 nm

Good for a lunch stop, this landmark close to Lymington River has an open anchorage, but be careful of the strong tidal current alongside the beach.

Beaulieu River – 7.5 nm

Experience tranquillity and stunning natural beauty on the Beaulieu River. Tie up to one of the river moorings or visit the historic Buckler's Hard.

And if the weather threatens to spoil your outdoor plans, there's always the cute cinema at the Lymington Community Centre to offer shelter.

Be a sport

For those of you who crave a little action, there is tons of stuff to do to keep you on your feet including beautiful coastal and New Forest walks. Or why not take in the sea air and sights on one of our bicycles – it's amazing what you can discover! Partial to a spot of horse riding? Then trot on to the Burley Villa Equestrian Centre for all things horses. For golf fans there's the nearby Walkhampton Golf Course with a new Adventure Golf Course.

Water, water, everywhere

Condensation can accumulate as 'free water' in your fuel tank, even when it's fairly full. Water contamination is the root cause of rust and many other fuel and engine problems. It can also cause misfiring, black smoke, incomplete and inefficient burning, lost fuel economy and eventually clogged filters. Left untreated, poor performance, breakdowns and even engine damage can result. Removing water contamination with Fuel Set will prevent these problems, keep your fuel in tip-top condition and clean through your entire fuel system. Clean engines run smoothly, more efficiently and give better performance. Don't delay...start looking after your fuel today!
